A Message From Rose Health Care...

Our purpose is to provide quality health care products at fair prices with outstanding customer service. This positive approach comes from the many years our management team has spent in the health care field. We appreciate the support from our loyal customers who have helped us become one of the fastest growing companies in the health care field.

Our product line of durable medical equipment and medical soft goods consist of direct imports and products we manufacture in our own facilities.

Our new catalog contains a vast array of new products. We welcome the opportunity to be of service to you and your company.

"THE WINNING TEAM"
Thanks for the opportunity to be of Service

Meet The Rose Health Care Team

Don Mann (*President*) Co-Founded Duro-Med Industries and served as its president for almost 25 years. In 2001 he joined with several former employees of Duro-Med and formed Rose Health Care. His extensive experience in product development and marketing help make Rose Health Care an important factor in the market place.

Sandy Stossmeister (*Vice-President*) Served in various executive positions with Duro-Med and provides a strong background and expertise in operations, customer service and sales.

Dave Hirsh (*Director of Purchasing*) Formerly Vice-President in charge of Purchasing with Duro-Med brings over 30 years of experience in the health care field. He has traveled extensively in the Far East and has developed resources all over the world. This has enabled Rose Health Care to be extremely competitive.

Plus a loyal and devoted group of employees. That help make up **"The Winning Team"**.
